TTGG Vision:

Enriching lives through Gymnastics

TTGG Mission:

To promote, develop and grow gymnastics for the enjoyment of all

Competitive Gymsports

Men's Artistic Gymnastics is a strength building sport for boys that enhances coordination and agility. It develops positive and confident body movements and challenges the mind. Men compete in 6 apparatus: Floor, Pommel, Rings, Vault, Parallel Bars and Horizontal Bar. This sport helps to develop healthy minds and bodies for now and in the future.

Trampolining is a highflying Gymsport comprising Trampoline and Double Mini Trampoline. It caters for both boys and girls in a safe environment focussing on the progression of aerial skills. Trampoline sports develop a high level of body and spatial awareness.

Tumbling involves acrobatic skills such as handsprings and somersaults on a 25-metre air floor. It caters for both boys and girls in a safe environment focussing on the progression of acrobatic skills.

Women's Artistic Gymnastics is a dynamic sport for girls involving a variety of skills on the four apparatus: Vault, Uneven Bars, Balance Beam and Floor Exercise. This Gymsport develops a high level of flexibility, strength, fitness, and dance.

Non-Competitive Gymsports

Gymnastics for All

Adult Gymnastics caters for those of us who want to experience what their children do as well as for retired gymnasts who just can't give it away. Adult classes are available for general fitness or 'Masters' competition.

General GFA - Non-competitive recreational gymnastics for children 5-16yrs. The aim of this program is to develop individual skills, confidence and friendships. These are structured classes based on age groups.

GFA Challenge - Athletes train 2hrs a week and learn routines suited to their abilities using common gymnastics apparatus. Athletes get the chance to show case their skills at interclub and state events.

Free G is an exciting new section of gymnastics designed to develop individual jumping, climbing and tricking in a safe and engaging environment. These classes are based around the skills commonly found in parkour and free running.

Recreational Tumbling -These classes are perfect for cheerleaders, dancers and those who want to take their tumbling to the next level! We have age-based classes designed to be able tailor the class to age appropriate skills minimising risk of injury.

KinderGym and PreGym offers a movement-based program for 0 – 5 year old's and their caregivers. A variety of equipment is arranged to offer safe, exciting new challenges and stimulates children to use motor skills. Classes offered include: Babies <2 yrs, General 0-5 yrs, Explorers 1-5 yrs (a shorter session for children that have developmental delays or sensory challenges), Junior PreGym 3yrs and PreGym 4yrs.

For the Board

Member Protection Policy and Child Safeguarding

The [Member Protection Policy](#) must be read in conjunction with the [Child Safeguarding Policy](#).

The National Integrity Framework has been developed by Sport Integrity Australia in consultation with sport industry stakeholders, the Sport and Recreation State Government departments, as well as the National Office for Child Safety. The suite of policies raises the bar on the expected behaviours of every individual involved in the sport, to redefine the sport of gymnastics.

Affiliated clubs, technical members, and parents/guardians of a child participating in our sport can find more information by clicking on the links below:

[National Integrity Framework Policy](#)
[Gymnastics Australia Commitment Statement](#)

In line with the above policies, TTGG has installed surveillance cameras throughout the complex to ensure the safety of all members and staff. Footage is only viewed if determined to be required or requested by the police.

Parents are also reminded that they should not video or photograph any child other than their own, including coaching staff under 18.

9. Participation rules

Members cannot go on equipment until instructed and supervised by their coach.

Caregivers should ensure that the privacy and reputation of all athletes is always preserved; and recognise the fun nature of gymnastics. At no time should any athlete other than your own child be discussed with any other members.

It is recommended that all families have ambulance cover in the event of an injury that requires one to be called. Staff have a duty of care to ensure appropriate, timely care is provided for a child injured or in pain, which may

require the assistance of emergency services. Please note: Only 75% of the ambulance costs are covered by the insurance company.

Your feedback is important to us, and we encourage all members to be forthcoming with any suggestions. These will be sent to the Management Team for review and if you wish to be notified of the outcome, please include your details. You are welcome to email memberservices@ttggymnsports.com.au.

11. Advertising

An electronic notice-board screen can be seen in the parent viewing area. This is available for local companies to advertise for a small fee. Spots are limited so please see our Member Services Team for more information.

12. Sports Vouchers

What is the Sports Vouchers program?

The Sports Vouchers program is a Government of South Australia initiative administered by the Office for Recreation, Sport, and Racing. The program provides an opportunity for children from Reception to Year 9 to receive up to a \$100 discount on sport, dance and learn to swim fees. The purpose is to increase the number of children playing organised sport or participating in dance or learn to swim activities by reducing cost as a barrier.

What can the \$100 be used for?

The \$100 can be used towards tuition fees, which provide access to a minimum 10-week sports program. The discount cannot be used for equipment purchase or a one-off 'come and try' type event.

You can claim your Sports Voucher with TTGG. Please refer to this link for more information:

<http://www.sportsvouchers.sa.gov.au/>

You will need to follow this link, print off the voucher, complete and return to our Member Services Team:

<https://www.sportsvouchers.sa.gov.au/2024-Sports-Voucher-Registration-Form.pdf>

Please note: The \$100 will not reduce your fees owed until it has been received by TTGG from the Office for Recreation, Sport and Racing.

13. Volunteers

TTGG values its volunteers and without their help, many of the tasks, some of which take considerable resources and time (such as placing new underlay under the floor area) would require us to pay contractors and our costs would be significantly higher. We thank everyone who has assisted us in a volunteer capacity in previous years.

13.1 Squad Competition Levy:

Each squad is allocated a few competitions each year to provide volunteers required to help GSA run the event. Your attendance is a requirement of being in a competition squad at Tea Tree Gully Gymsports. This includes all in-house competitions run at TTGG or any fundraising events. All funds raised from our competitions and fundraising are used to update and maintain our gymnastics equipment and facilities.

If you are not available for your allocated event, you will be required to pay the Competition Levy instead. The office will process the Competition Levy, or part thereof, using the card recorded in iClassPro. Levies charged will be used to hire staff to assist with event running.

The volunteer requirements for Squad parents in is tabled below:

Squad	Shift Requirements based on sessions trained	Optional Levy Alternative
